

Farsley Farfield Primary School

Extra Curricular Clubs 2015-16

We greatly value the range of extra-curricular clubs that we are able to offer. We firmly believe that this enhances the educational offer of the school. I am very grateful to all the staff and volunteers that offer to run these clubs. I expect excellent manners from the children during the clubs – and a thank you at the end is always appreciated!

I hope that you agree that the programme on offer inside this booklet is rich and varied.

Peripatetic musical instrument lessons are not included here (please see previous letter); please contact Mrs Hawkhead at school if you need details of these.

The Karate Club run by Ashley Scott is a private enterprise that we host. Please contact Ashley directly (see Thursday).

Please note: Due to changes to our school budget, this year we are introducing a small voluntary contribution to help cover the cost of running our non-academic extra-curricular clubs. This will bring us in line with many other schools that already do this. Clubs will be free for those children from families in receipt of free school meals or Children Looked After by the local authority. Unless otherwise stated, the requested contribution for each club will be £1 per week (payable in advance).

Please return the enclosed preferences form by Wednesday 16th September. PLEASE DO NOT SEND ANY MONEY UNTIL YOUR CHILD HAS BEEN ACCEPTED INTO A CLUB. Clubs start in the week beginning 21st September unless otherwise stated

If any more parents would like to help run a club, or perhaps run a club of their own, please contact us to discuss your idea.

Mr Peter Harris
Head teacher
