Welcome to your summer holiday booklet!

Summer is nearly upon us! To help you and your family prepare for the school holidays we have pulled together this activity guide with details of childcare, playschemes and activities taking place in Pudsey and the surrounding area.

The activities in this guide are a combination of those offered by local providers and those being provided through the Pudsey Cluster Partnership, which are delivered in partnership with local schools, Children's Centres and other services.

Please contact the appropriate provider on the numbers given to make bookings. Although every attempt will be made to fulfill all bookings, please note that due to limited places this may not always be possible. Unless otherwise stated, bookings will be taken on a first-come first served basis.

It is your right and responsibility as a parent/carer to check how well a club or activity is run, for the sake of your child's safety and your peace of mind. Remember, a well run club or activity will welcome questions from parents/carers.

We aim to provide the most up-to-date information, but in some instances, inevitably plans may change. For the most up-to-date information about activities, events and childcare in your area, go online to The Family Information Service www.familyinformationserviceleeds.co.uk or ring 0800 731 0640. You will also find a list of events on the Breeze website - www.breezeleeds.org.

Important information: This booklet aims to provide up-to-date information, however (although we try our best) we cannot guarantee the accuracy or completeness of the information within. You may also only use the information within this booklet on the condition that you agree not to hold us responsible and protect us against damage, loss or injury for anything you do based on the information. Parents and guardians accept full responsibility for their child's safety and quality of experience when acting on any information contained within this booklet. We recommend you contact the organiser to discuss child protection policies, insurance cover and suitability of their employees: for example, if they have had a recent CRB check and that they have appropriate coaching qualifications.
