My Maths Learning Journey

Name

Class

Counting – first steps

	Date Achieved	Date Achieved	Date Achieved	Date Achieved
I can count forwards to 100				
I can count back from 100				
I can say the number 1 more than any number up to 100				
I can say the number 1 less than any number up to 100				
I can count in 2s to 30				
I can count in 5s to 50				
I can count in 10s to 100				
I can count back in 2s from 30				
I can count back in 5s from 50				
I can count back in 10s from 100				

Counting – next steps

	Date Achieved	Date Achieved	Date Achieved	Date Achieved
I can say the number 10 more than a 2 digit number				
I can say the number 10 less than a 2 digit number				
I recognise odd and even numbers				
I can count forward in 3s to 30				
I can count back in 3s from 30				

Number bonds – first steps

	Date Achieved	Date Achieved	Date Achieved	Date Achieved
I know the pairs of numbers that add up to 10				
I know the subtraction facts from 10				
I know the pairs of numbers that add up to 20				
I know the subtraction facts from 20				

Number bonds – next steps

	Date Achieved	Date Achieved	Date Achieved	Date Achieved
I know the pairs of multiples of 10 that add up to 100				
I know the subtraction facts for multiples of 10, from 100				
I know pairs of numbers that add up to 100				
I know the related subtraction facts for 100				

Tables – first steps

	Date Achieved	Date Achieved	Date Achieved	Date Achieved
I know the multiplication facts for the 2x table, to 12x2				
I know the division facts for the 2x tables, to $24 \div 2$				
I know the multiplication facts for the 5x table, to 12x5				
I know the division facts for the 5x tables, to $60 \div 2$				
I know the multiplication facts for the 10x table, to 12x10.				
I know the division facts for the 10x tables, to $120 \div 10$				

Tables – next steps

	Date Achieved	Date Achieved	Date Achieved	Date Achieved
I know the multiplication facts for the 3x table, to 12x3				
I know the division facts for the 3x tables, to $36 \div 3$				
I know the multiplication facts for the 4x table, to 12x4				
I know the division facts for the 4x tables, to $48 \div 4$
