

Extra Curricular Clubs 2013-14

At Farfield, we greatly value the range of extra-curricular clubs that we are able to offer. We firmly believe that this enhances the educational offer of the school. I am grateful to all the staff and volunteers that offer to run these clubs – often without additional pay. I expect excellent behaviour from the children during the clubs – and a thank you at the end is appreciated!

This booklet presents the clubs that we intend to run. A few of the clubs require us to make a small charge to cover some of the materials or venue hire – any staffing costs are picked up by the school.

Please return the separate form provided as soon as possible. Clubs start in the week beginning 23rd September unless otherwise stated.

Mondays
