If you could spare an hour at any event or even help to set up that would be appreciated; the PTA can only organise these events with the help from parents. Please email diane.walton@farsleyfarfield.org.uk if you could possibly help.

* The Camp-Over is a massive undertaking for a small(ish) team. Please note that the camp over can only take place again this year if enough people volunteer to help. A list will be published in January for people to offer themselves for a particular role. It is a great event though isn't it?

Thank you
