

Farsley Farfield Primary School

Extra Curricular Clubs 2014-15

We greatly value the range of extra-curricular clubs that we are able to offer. We firmly believe that this enhances the educational offer of the school. I am very grateful to all the staff and volunteers that offer to run these clubs. I expect excellent behaviour from the children during the clubs – and a thank you at the end is appreciated!

I hope that you agree that the programme on offer inside this booklet is rich and varied. I am delighted that we have been able to add some new extra curricular offers this year: Minecraft, KS1 Multisports, Y2 Cycling, 'Wool n stuff' crafts and Ukulele! Musical instrument lessons are not included here; please contact Mrs Hawkhead at school if you need details of these.

A few of the clubs require us to make a small charge to cover some of the materials, licences or venue hire – any staffing costs are currently picked up by the school (see note at bottom). The Karate Club run by Ashley Scott is a private enterprise that we host.

A KS2 tag rugby club, run by Mr Garlick will start later in the year. Details of this club will be sent out prior to the club commencing.

Please return the enclosed preferences form by Friday 19th September. PLEASE DO NOT SEND ANY MONEY UNTIL YOUR CHILD HAS BEEN ACCEPTED INTO A CLUB. Clubs start in the week beginning 29th September unless otherwise stated. I am sorry that this is a week later than usual – all these things take time to organise!

If any more parents would like to help run a club, or run a club of their own, please contact us to discuss your idea.

Mr Peter Harris
Head teacher

Please note: Whilst we are committed to keeping these clubs free this academic year, we may have to charge to cover our costs from 2015-16 – e.g. £1 per week. This programme of clubs costs the school in the region of £5000 per year, and this may not be sustainable in the light of changes to our school budget. We would endeavour to keep the clubs free for those children from families in receipt of free school meals and Children Looked After by the local authority. Charging a general fee for after school clubs would bring us in line with many other schools that do this already.
