

# Farsley Farfield Primary School

## PTA Newsletter

November 2020

Infant building entries

### Welcome to Friends of Farsley Farfield Primary School

We are still working hard during these difficult times to raise funds for our school. We thank you for your continued support.

### Special Thanks!

The PTA would like to thank Stephen for helping the infants build some hedgehog houses for their resident hedgehogs. Great work guys!

### Our Latest Events!

Our Halloween events that took place during the last week of half term were very popular and we raised a massive £476.00. It was lovely to see so many excited children coming to school in their fancy dress costumes. We would like to say a big well done to everyone that took part, there were some fantastic pumpkins and scarecrows and picking winners was a difficult task!

Thank you once again for your support during these difficult times.

Join our Facebook page

Farsley Farfield Parents

Here you will be kept up to date with upcoming events and get togethers.

Alternatively leave us your email address and we will add you to our PTA mailing list.
