

JULY 2022

Friends of Farfield

PTA Newsletter

Campover

We're lucky to be able to take advantage of Farfield's wonderful grounds for a lot of events and this year's campover was the highlight of the PTA calendar. This year over 550 people attended with 78 families camping overnight, and a massive 200 breakfasts served the next morning. The day was filled with water fights, water slides, face painting, inflatables, donkey rides, fire engine and many more and the day ended by roasting marshmallows over the bonfire. We hope everyone took home some fond memories of this event, and we're looking forward to the next one!

Dog Show

Saturday 11th June 2022 saw parents, school children and dog owners from the local communities in Farsley, Rodley, Pudsey, Calverley and beyond coming together to enjoy the day. The dog event was judged kindly by Amanda Carter & Terri Brown on the day with categories such as young handler, best trick, golden oldie and of course fancy dress.
