

## Farsley Farfield Primary School Extra-Curricular Clubs for Term 1 (Sept-Dec)

Please find details of extra-curricular clubs that will be running in the juniors between September and December 2023.

We greatly value the range of extra-curricular clubs that we are able to offer. We firmly believe that this enhances the educational offer of the school and I am very grateful to all the staff that offer to run these clubs.

There is a small charge to help cover the cost of running our extra-curricular clubs. Once allocations are completed, the cost of the club will be added to your ParentPay account and this **must be paid for before the club begins**. Clubs will be free for children in receipt of free school meals, adopted or Children Looked After by the local authority.

**Please use the link at the end of the form to select your club choices by Tuesday 12th September.**

Club allocations will be completed once the form has closed and **you will receive an email informing you if your child has a place in their chosen clubs by Wednesday 20th September**. This will include all details for the club, including start and finish dates and times, cost for the term and any other relevant information. Unless otherwise stated, clubs will begin w/c 25th September and run up to 15th December.

Many of our clubs are often very oversubscribed. Where this is the case, children will be placed onto a waiting list. Extra-curricular club options for term 2 (January-March) will be sent home nearer the time and priority will be given to children who may have been on waiting lists in term 1.

Mr Peter Harris  
Head teacher
