

Year 6 Residential Kit List 2025

Bags

One suitcase or holdall - **bags for both classes to come in on the morning of Monday 30th June**

A small disposable plastic bag with a packed lunch for Day 1

Clothes to consider – please look at the weather forecast in advance of packing

Water-resistant coat and trousers (you may have hired these through school)

Casual clothes

Underwear - including extra pairs of socks

Nightwear

Swimwear - to go under the wetsuit for gorge scrambling

PLEASE SEE PAGE 2 FOR THE ITEMS OF CLOTHING NEEDED FOR THE ACTIVITIES WE ARE DOING

Footwear:

Trainers **x 2 pairs** (including an older pair which will get wet)

Wellies

Toiletries

Towel x 2, toothbrush and toothpaste, shampoo/shower gel, hairbrush

Bedding

Sleeping bag **for both classes to come in on the morning of Monday 30th June**

Extras

The children will require a **packed lunch for the day of departure**. This will need to be disposable packaging and include no glass bottles please. This will need to be accessible on the minibus so please do not pack in the larger 'holdall' bag.

A labelled water bottle that can be refilled e.g. 750ml plastic bottle

Bin liner for dirty laundry and wet clothes

Hair bobbles – children with longer hair will need to tie it up for some activities

Hat & gloves (it could get cold)

Comics, books, small board games, cards etc...

Named inhaler or named special medication (including travel sick pills) to be given to a member of staff on the day of departure

Torch

Sun cream

Insect repellent

What you cannot/do not need to bring:

Money, mobile phones, computer or electronic games, cameras, I-Pods, valuable games or items, other jewellery than you would normally wear at school, hairdryers, aerosols, chewing/bubble gum.

Please try and name/label everything that you can!

We will take plasters, insect repellent/bite cream and sun cream. Children should have their own but if your child has any allergies to anything listed above, please let us know before the trip.

Text from How Stean Gorge:

What do I need to bring?

Ultimate Via Ferrata & Climbing Course

You will need comfortable clothing and footwear with a good tread – trainers or wellies will do! You can get quite dirty as you clamber along the rocks so please only wear items that you don't mind getting a little dirty. Waterproof Coat and trousers will be necessary if the conditions are a little damp. Full length trousers and a long-sleeved top will be required.

Gorge Scrambling & Bridge Abseil

Some swimwear for under the wet suit. Please also bring along some shorts or trousers to go over the wet suit to protect your bottom & the wet suits! You also need footwear that you don't mind getting wet – old trainers, walking boots or wellies will do. **Don't forget to have dry footwear with you to wear afterwards.**

Caving

You will need comfortable clothing and footwear with a good tread – wellies are ideal. You will get very dirty as you clamber along the rocks and crawl through mud so wear items that do not matter. You will be provided with helmets, lamps, caving over suits and knee pads. Full length trousers and a long-sleeved top will be required.

Canadian Canoeing

You will need comfortable clothing and footwear with a good tread – trainers are ideal. You could get damp and it isn't unusual to get really wet. A waterproof/windproof cag will be provided if required.

Please bring along a towel. Shower facilities are available for use after activities. Additional items such as sunscreen, sun/woolly hats, gloves and scarfs might come in useful depending on weather conditions and time of year.
