

Farsley Farfield Primary School

Annual Parent Survey 2025

We carried out a survey of parents in July 2025. We got 184 responses: a good rate of return and slightly up on last year. This short summary document reports back on some of the key questions in the survey. Staff and governors will look at responses in more detail. For tracking of responses over time, see the [appendix](#) at the end of the document.

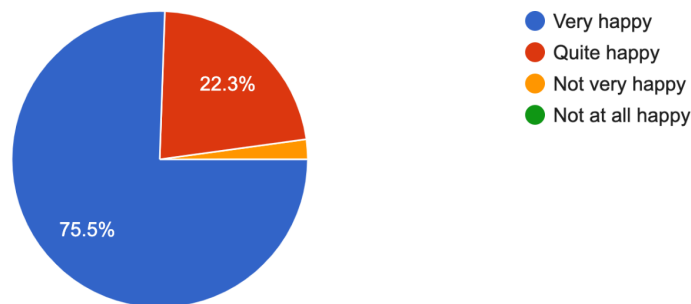

Key feedback:

Happiness

97.8% of children were quite or very happy last year, with three quarters being 'very happy'.

Q6. Generally, how happy has your child been in school this year?

184 responses

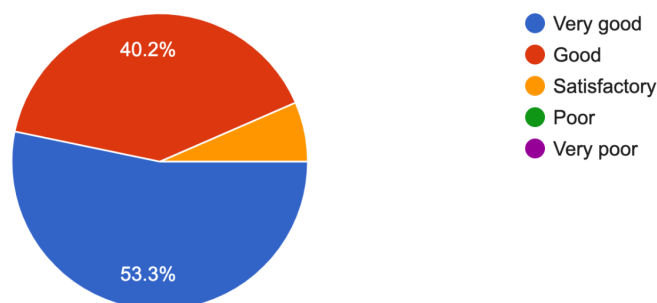

Behaviour

Children's behaviour at Farfield is usually very good. Most families agree.

Q7. From what you see or hear, how highly would you rate the general behaviour of children in your child's class?

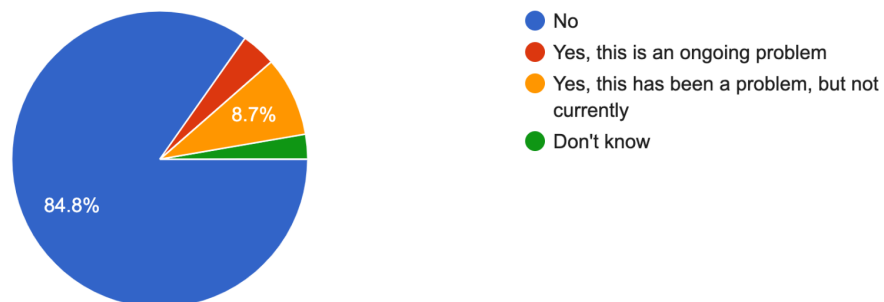

184 responses

Bullying

A very large majority of children never experienced what might be felt was bullying. Most parents whose children reported that bullying had been an issue, reported the school's response as being good or excellent.

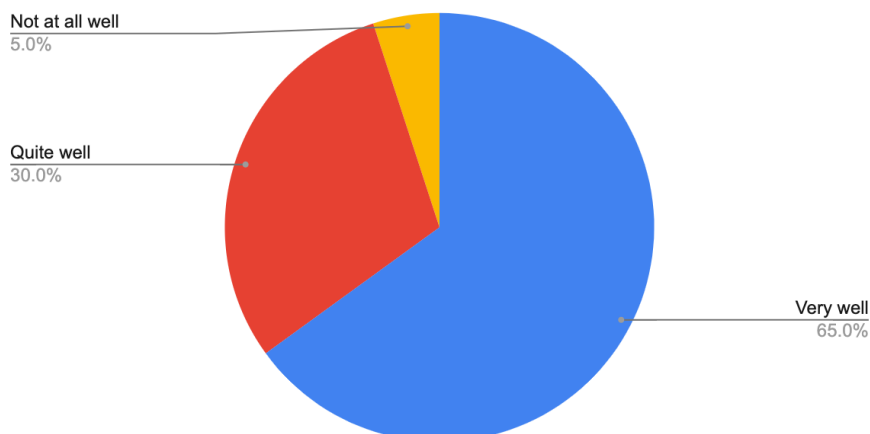

Q9. Has your child been the victim of bullying this academic year? Bullying would be classed as targeted and repeated behaviour that hurts someone...ing rumours, threatening or undermining someone.

Special Educational Needs

A new question this year related to provision for children with Special Educational Needs. Feedback was typically very good. The only 'Not at all well' response related to a child who isn't currently on the SEND register. More investigation is needed here.

If your child has Special Educational Needs, how well have these been met this year?

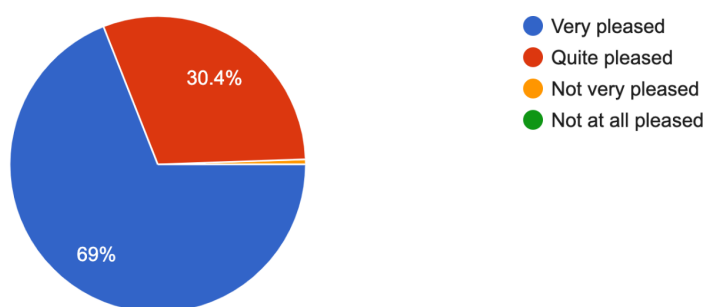

Educational Progress

From their many and varied starting points, children almost always progress well academically at Farfield. 98% of parents were pleased with their children's progress in 24-5, and over two thirds were very pleased.

Q17. How pleased are you with the educational progress of your child?

184 responses

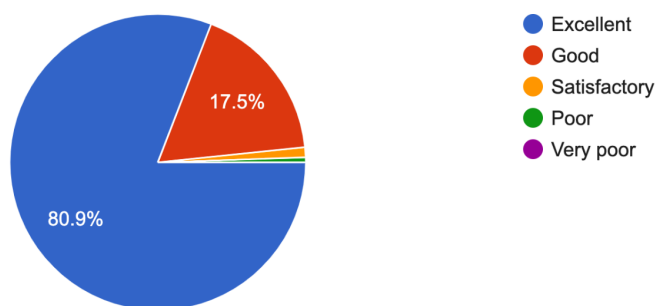

Overall Experience

Over 80% of parents regarded their children's overall experience at Farfield as 'Excellent' and over 98% regarded it as good or better.

Q18. Overall, how highly would you rate your child's experience at Farfield?

Conclusion

This is another strong piece of feedback and we are pleased that the hard work of the staff has had such a positive impact on the families' experience of our school. Where improvements can be made, we shall endeavour to do so. Teachers and pastoral staff will work through the feedback to inform their work in the new term.

Example comments from this year's survey and tracking over time are on pages below.

Example comments

XXXXXX is my youngest son and he has thoroughly enjoyed his time at school. The curriculum is broad and rich, the trips in particular are fantastic and my son leaves feeling confident and ready for high school. He has made solid friendships and every teacher has supported him through his journey. I have to also say the communication from school is brilliant. We will miss the school - it really has been a special community.

I have had children at Farfield since 2012 and Farfield has been amazing. I cannot recommend the school enough. It's a happy, healthy and a very supportive school with staff that are nothing less than outstanding!

We have only ever had a positive experience at Farsley Farfield and are incredibly grateful to all the staff for the excellent care, teaching, and support Max has received throughout his time here. From the very beginning, the school has provided a nurturing and inspiring environment where he has been able to thrive both academically and personally. Thank you to everyone who has played a part in making his primary years so happy and memorable.

Farfield has been an excellent school. The teachers put maximum effort in to effectively deliver with the resources that they have. I think they deserve gold stars themselves! They are a great unit and you can see the collaboration right across the school. Well done guys!

We as a family are proud to be a part of Farsley farfield. This school has made a positive impact on our children's lives. Thank you to the excellent teaching staff for making an impact on our children's learning and well being.

Theo has loved his time at Farfield. He has never been or, more importantly, felt excluded. His academic results have gone from strength to strength (much to his surprise!). He's going to miss the school, teachers and grounds very much. We may have to start a den area in the back garden!

Farsley Farfield provides a highly safe and supportive environment for children to achieve - xxxx has benefited hugely from standard provision and tailored support impacting academic achievement and her overall wellbeing. We could not ask for anything more. Thank you.

Both our children have attended Farfield and we have found it to be a brilliant school with great staff and a lovely environment. We have been really pleased with how the school and staff have educated them and both have enjoyed their time at the school. Thanks

The safeguarding team and pastoral staff have been fantastic and I thank them for the work and support this year.

I continue to be amazed by the collegiate and kind attitude of xxxxxs class. Year 5 has been brilliant. Cycling, play, residential... what a wonderful year of enrichment before the tougher academic work in Year 6.

The nursery team has been outstanding. As parents I appreciate the effort and love that has gone into each child in their care. xxxx has thrived in the Farfield setting and we're grateful for everyone who has had an input into helping xxxxxx achieve great things, she always has stories to tell me what she has done at school and the friends she's played with.
